WINTER ISSUE

JULY 1997

Dear Members,

******* IT'S SNOWING!!! ,.*****

THE ANNUAL GENERAL MEETING

Twenty Three members and families enjoyed a pleasant day at St. Anne's Winery for the AGM earlier this year and a splendid lunch in the courtyard which was very nicely laid out specially for us by the winery restaurant.

Mike Kermode's President's Report and the Club's Financial Report were tabled at the meeting, and copies are attached.

An election of the Committee was conducted under the supervision of Courtney Pern. Mike Kermode agreed to stay on as President for one last year to see the completion of the bedroom refurbishment, that has now been completed. The balance of the old Committee put themselves forward again together with new nominations of Darren Richter, Murray Elrington, and Peter Fraser. As some of the Committee members, namely Mike Kermode, and John Tulloch, have indicated that this will be their last year on the Committee, it was resolved at the AGM that we have a transitional committee of 10 for this year, while the old guard hand over to the new group.

LODGE NEWS

As you may know we have had a major overhaul of the bedrooms this year and the end result seems to be well received. We have installed new - beds, wardrobes, windows, colour scheme, bunks, mattresses, and reading lights over all beds for those who go to bed to read! As well as this there are now individual thermostats on all the bedroom heaters, so you don't have to open the window to control the temperature in your room. We have also purchased a new sound system with. CD Stacker and tape player so this has moved us into the 90's properly.

LODGE DOOR CODE

This has now been changed to C197Y . When operating, always ensure that you press "C" first to clear the previous usage.
