

BURRUMBEEP NEWS

SEASON 2017 – FAST APPROACHING!

The 2017 season is rapidly approaching and the committee is working hard to get our lodge ready for what we hope will be another bumper season for Burrumbeep. As always the off season has been a busy one for the lodge, with much of our annual maintenance happening at this time of year. A full update on the off-season work will be shared with the members at the AGM on 23 April, however here is a small taster to whet your appetite!

- MORE new windows, we are proud to announce that the entire lodge now features double glazed windows
- Thorough cleaning throughout including a steam clean of all carpets
- Refreshed look for the dungeon, now a much more appealing space for families (and a lot less dungeon-esque!)
- A new sign for the outside of the lodge featuring local stone
- Much more!

As always none of this could go ahead without the valuable contribution of our members and committee, if you would like to get involved before the season begins, there will be one final working bee on 13-14 May, it would be great to get as many of you there as possible – don't forget if you attend you will remove your annual maintenance levy as well – a win win!

The AGM is coming up as well and we really hope to see as many members as possible. Bookings open at the AGM for members, associates and one guest. All other bookings open on 2 May 2017, first in best dressed so don't miss out! See you at the **Glenferrie Hotel in Hawthorn at 11am** and stick around for a bit of lunch afterwards!

DIARY DATES TO REMEMBER

Please ensure that the following key dates are in your diary for 2017. Don't forget that attendance at a work party is a great way to get up to the lodge and enjoy a weekend with members, but also to avoid paying your annual levy!

ANNUAL GENERAL MEETING:

11am 23 April, Glenferrie Hotel Hawthorn

WORK PARTY:

13-14 May

SEASON OPENING:

10-12 June 2017

SUCCESSION PLANNING

Are you a non-skiing member of Burrumbeep Ski Club but have children who do still love to ski? A number of members have recently transferred their memberships to their children in order to become 'Senior Associate Members' whilst still keeping their accommodation rates at member levels.

For further information on succession planning your membership please contact Murray Elrington. 9882 6687

HAVE YOU HEARD OF: THE BLIZZARD BREWING CO.

A new addition to the collection of watering holes – the Blizzard Brewing Co. in Dinner Plain is a great place to visit next time you are up the mountain.

Boasting the title of the highest brewery in Australia the beer is particularly unique as it is made using water from snow-melt from the high altitude aquifers around Dinner Plain.

Stop in for a drink, snack or a brewery tour during your next visit!

EARLY BIRD SEASON PERMITS

Early bird season permits are now on sale until 30 April. Reduced from \$525 to \$465, this is a great way to save \$\$\$ on your parking permits and is well worth it if you plan on spending more than 11 days on the mountain this season.

Purchase your season permit at Hotham.com.au

UNDER LODGE CLEAN OUT

At the conclusion of the 2017 season the committee will be undertaking a full scale clean up of the under lodge storage areas.

If you have anything stored under the lodge please arrange for it to be removed within the next 6 months. All items remaining un-claimed by September will be thrown out or donated to charity/museum.
