

BURRUMBEEP NEWS

Welcome to season 2015!

It's been a very busy "Green Season" for the Burrumbeep Ski Club Committee and our Members preparing the Lodge for the 2015 Ski Season. Our work parties in February and May have been well attended along with spontaneous visits by Peter and Margaret Leeke who rigorously monitor the maintenance requirements and ongoing capital improvements.

At our AGM in April, John Slattery our Past president of 4 years felt it was a suitable time to establish some generational change in leadership duties and I look forward to building on the great platform that John and the previous committee have achieved. The value of the Club has been secured for the next 26 years thanks to John's commitment towards achieving the best financial leasehold tenure and flexibility to extend our term if required. I would like to Thank John on behalf of the Club for his valuable contribution as our President over the past 4 years. John will continue as a Committee member assisting in the execution of several capital improvement projects throughout the club.

I would also like to thank Hamish Heard and Courtney Pern as outgoing committee members and the expertise they brought to their positions. Courtney has been particularly active in ensuring our Club is considering many Energy Efficient Strategies that can assist in keep our energy costs at a minimum.

At the AGM we also welcomed two new Committee members including Georgie Cruickshank (Tulloch) and George Davies. I am delighted that we have interested parties looking to join the committee and encourage anyone who would like to get more involved in the Club's operations to make contact with any of the current committee.

Over the next 12 months my objective will be to ensure our Club continues to offer its members with Best in Class accommodation and a lasting memorable Alpine experience.

If you have not already made your bookings for this season please take the time to visit the Club website as Tim Lewis has been busy improving the system including the introduction of Pay Pall for payments.

We are expecting fresh snowfalls for the June/July School holidays and hope the season will be as good as 2014!

All the best,
Rob Joyes (President)

YOUR COMMITTEE 2015

President: Rob Joyes, George Davies

Memberships: Murray Elrington, John Slattery

Treasurer: Ceal Gubbins

Bookings: Tim Lewis

Maintenance: Peter Leeke, Georgina Cruickshank (nee Tulloch)

SUCCESSION PLANNING

Are you a non-skiing member of Burrumbeep Ski Club? A number of members have recently transferred their memberships to their children in order to become 'Senior Associate Members' whilst still keeping their accommodation rates at member levels. For further information on succession planning your membership please contact Murray Elrington. 9882 6687

END OF SEASON CLEAN UP

There is currently a very large amount of unclaimed ski equipment being stored underneath the lodge. If you are coming to the lodge this coming winter we ask that you either take it home or mark it as needing to stay. At the conclusion of the season anything left under the lodge will be disposed of unless it is labeled or the committee is instructed otherwise. Having so much unused equipment being stored is not efficient or safe from a fire perspective.

BOOKINGS 2015

LOW SEASON (6-28 JUNE & 7-27 SEPT)

Guests: \$55 per night

Members & Debentures: \$40 per night

HIGH SEASON

Guests: \$65 per night

The rest of the year remains at \$30 per night per person.

Working Bee Levy is now \$250 per year

MASTERPLANNING BURRUMBEEP

The committee recently sought the advice of an architect to give advice on the future direction of the look and feel of the lodge. A 'style guide' for any upcoming 'cosmetic' works has since been prepared for by Nexus Designs and is available for members to view this season at the lodge. This includes paint colours, carpet and cosmetic upgrades. We welcome any members for their feedback and suggestions on upgrades, which might be needed to the lodge to continue to keep our lodge looking and feeling comfortable for years to come. Please contact the president to submit your suggestions.

HAPPY 40TH BIRTHDAY BURRUMBEEP!

Can you believe it has been 40 years since the first bricks were laid at Burrumbeep? In celebration of an incredible milestone in the Club's history the Committee would like to welcome all members and their families to join us in celebration in true Burrumbeep style! Save the date: Saturday 5 March 2016.
