March 2005 Newsletter & Notices

Welcome to skiing in 2005. Lets hope it's a ripper like 2004 where we had so much snow that the mountain spin doctors stopped talking about the fantastic conditions and just talked in metres.

Its hard to believe but on open weekend I attended a couple of resort meetings and parked at the top of Heavenly Valley chair with no snow to be seen, yet the next weekend it dumped and kept it up all season.

Finacially the club has posted a good result from the season with good visitor numbers through the lodge

I also had the pleasure of meeting many members up there last year, all enjoying the good conditions and the cosy hospitality of Burrumbeep.

The club has not seen any major changes this year as we reflect on the past couple of years tension due to building proposals factional opinions.

The questionnaire form that you all so kindly returned demonstrates by a vast majority that the membership is not interested in attempting a large extension project, with its associated cost, at the present time.

This brings to a close the current building proposal that you have all seen on the club walls and news letters.

It should be noted that Jim Milledge did a fantastic job of drawing and re-drawing plans for us all to consider, based on wish list's from members. On behalf of the club I would like to thank Jim for this work.

As you all know the early bird catches the worm so at www.hotham.com.au you can obtain savings on a 2005 season resort entry pass and discount on season lift passes. Check it out before the offers expire at the end of April.

The Hotham Times newsletter sent out weekly is worth subscribing to for accurate moutain weather updates and general Mt Hotham news. You can request to be put on the list by e-mailing mhar@mthotham.com.au

Park Hotel Bistro room
1615 Sturt St, Ballarat

Exclusive use of the Hotel bistro is being provided so we encourage you to eat there as they are providing the room at no charge

Burrumbeep 2005 season bookings

At 12.30 PM. a ballot system will operate to determine the order of booking for those members present. Members arriving after 12.30PM will be able to book in order of arrival after those in the ballot have made their bookings.

Accommodation bookings will not be accepted during the meeting but will continue afterwards in the predetermined order

Work Party Week End 16th/17th April

Work party week ends are a great way to meet members of the club and enjoy some excellent fellowship. There are lots of small jobs on the "to do list" that if we can get done would be great so please Contact Rebecca Rowe on (03)5354 6789 if you are attending so that we can efficiently co-ordinate the week end.

***NEW Door Code for season 2005**

Door code 13th June – to end of season

C56Y

To improve security in the lodge during the off season we will be changing the door code.

Door code summer season - Obtain from booking officer when you book

Please retain this newsletter as this will be your only advice on codes

Due to DVD's taking place of video's the committee has purchased a DVD player for the TV room and it will be installed during the work party week end

*New postal address for the club. Please use this for all correspondence & payments

Looking to the future we need to build fresh ideas and enthusiasm into the managing and running of our club so I am urging interested members to consider standing for positions at the AGM and get involved in taking the club forward.
So many things about the running of the building and organising the club are not being shared amongst the newer and younger members so please get involved and have a great time

See you all at the AGM
