GREEN SEASON UPDATE 2016

Welcome to the first edition of Burrumbeep News for 2016!

It's that time of year again when we all start to plan our annual winter pilgrimage to Mount Hotham. Reflecting on the 2015 season it was pleasing to see consistent and regular snowfalls from the 12th July through until closing weekend. September was exceptionally good spring skiing conditions and if you booked at this time you would have been pleased with few queues! Please read on to take advantage of some of the great early-bird deals available for this season.

The Mt Hotham management board continues to support green season activities such as 3 Peaks Road Cycling, mountain bike riding, Cobungra Station Easter Polo, Food and Wine festivals, Bushwalking and the Cool Summer Music Festival. The committee has been pleased to see the patronage of the lodge increase over this time. If you would like further detail on Green season accommodation please contact Tim Lewis.

As many of you know the Committee have organised a 40th Birthday party for the club to coincide with the 2016 AGM. Many of our members will be in attendance on the Saturday evening which will be a fabulous opportunity to catch up with friends and reminisce those early years of the clubs formation and skiing at Mount Hotham over 4 decades!

The green season is not only a great time to see the beautiful high country but Burrumbeep has also seen some great improvements over this period. Read on for further details on the exciting capital changes happening right now to set our lodge up for a comfortable winter! We look forward to hearing your feedback on these upgrades.

Best regards, Rob Joyes

CAPITAL WORKS

The committee is pleased to announce that works have begun over the summer to make some minor aesthetic changes to the lodge.

Next time you visit you will notice new larger double glazed windows have been installed in the lower lounge, affording more natural light enhanced views; as well as continuing our philosophy of making the lodge as sustainable as possible. In addition to this the lodge is in the process of being re-painted in all common areas as well as the upstairs bedrooms.

We hope you enjoy the refreshed look and feel next time you visit!

HAPPY 40TH BIRTHDAY BURRUMBEEP!

The committee is very excited to be planning a weekend of celebrations to commemorate the 40th Birthday of Burrumbeep Ski Club. For those who have not yet RSVP'd yes there are still a number of spots available – the more the merrier! Please contact Georgie Cruickshank on georgie@metric.com.au
