MEMBERSHIP SALES PROCESS

If you are interested in selling your Membership or arranging for family or friends to purchase a Membership, the first step is to notify the Committee of your intention. Prospective buyers and sellers are then made known to each other by letter in order that a mutually agreeable price can be negotiated.

At this stage the seller will advise the Committee and transfer documents will be sent, completed and returned.

The Club retains the right to approve (or not) at this stage, and the sale can only be confirmed after transfer documents are completed.

Payment is forwarded to the Club. Any outstanding levies and a transfer fee of \$100.00 will be deducted. The balance is sent to the seller.

It is in the Club's interest to retain memberships within the Club family whenever possible and the Committee will seek to continue this tradition in the future.
